EDUCATION

The Pennsylvania State University, University Park, PA.
Ph.D., Statistics, August 2013.

Korea Advanced Institute of Science and Technology (KAIST), Deajeon, Republic of Korea.
B.S., Applied Mathematics, February 2006.

EMPLOYMENT

Associate Professor of Statistics, Miami University, July 2019–present.
Assistant Professor of Statistics, Miami University, August 2013–June 2019.

RESEARCH INTERESTS

Longitudinal models
Time series
Nonparametric methods
Quantile regression

HONORS AND AWARDS

International Statistical Institute (ISI) Elected member, 2020
Korean International Statistical Society Career Development Award 2015.
Nonparametric Statistics Student Paper Award, American Statistical Association (ASA), Joint Statistical Meetings 2012.
Department Scholarship, KAIST, 2003–2005.

Teaching Evaluation Scores at Miami University:

The teaching effectiveness scores were rated on a scale of 0 (strongly disagree) to 4 (strongly agree). “Mean score” column reports the mean score with the percentage of students in parentheses who rate positively (3 or 4). For comparison, the department mean score and university mean score are also reported. “Size” column provides information on the number of students in the class (the number of students who respond the evaluation).
